Dear Sergey:

Thank you for the installation of wood floors at our daughter's house. They are beautiful!

Your crew did an excellent job of matching the existing wood floors with the new wood. The three coats of finish that you recommended look great. Your crew worked hard to make sure we were satisfied with the end result.

I have enclosed a check for \$6,137.60 for your invoice #1076. You will notice that I deducted \$50 + \$4.45 tax for "Remove and Reinstall Toilet". As I mentioned to you by phone, I did the toilet removal and reinstallation myself.

Thanks again. We'll call you again for our hardwood floor needs.

Sincerely,
